Regular Meetings of Council are used to discuss the municipality's general and routine business and to enact necessary ordinances and resolutions. These meetings begin at 9:00 a.m. on the first and third Wednesdays of each month.

Special Called Meetings (Work Sessions) are commonly held to handle business that arises and cannot be postponed until a regular meeting. Council can effectively use them to address issues that affect only a limited number of citizens; to consider items of high public interest; and as a means of avoiding prolonged regular meetings.

District Evening Meetings are scheduled on the first Wednesday of each quarter. This meeting rotates within the four Council Districts and typically starts at 6:00 p.m.

Zoning Public Hearings are conducted on the third Wednesday of every odd numbered month at 10:00 a.m.
