

# Go Green by Going Paperless!

## Sign up for City of Columbia E-Bills

### MONEY

In these economic times, we're all looking to save money! With E-Bills, you save money on stamps, checks and gas, and the City saves on processing, printing and postage.

### TIME

You can access your bill the same minute you receive your billing e-mail, and your online payment will post the same day you make it.

### THE ENVIRONMENT

With electronic billing, the average household can save resources equal to:

- Not driving 169 miles;
- Planting two trees and letting them grow for 10 years; *or*
- Preserving 24 square feet of forest from deforestation.

Sign up for electronic billing today and make a real difference. It's easier and more convenient than ever, plus, it helps the environment! Here's how e-billing works:

1. Sign up for e-bills for water, solid waste and/or parking rental services at:

<https://cwa.columbia.sc.gov:4443/cwa>

2. You'll be notified by e-mail when your monthly bill is ready, and copies of your bills are available for online viewing.
3. Pay with ease using your Visa, MasterCard or Discover credit or debit card, or sign up for Columbia's EasyPay Automated Bank Draft program.
