

# Introduction to Throwing

## Pottery Class for Youth

The Art Center is pleased to be able to offer an advanced class for youth in throwing pottery. It is recommended that all participants have experience with clay. The class ranges in age from 11 to 17.

Each class will be held on Tuesdays from 3 pm to 5 pm. The classes will run for 6 weeks per session.

Our instructor for this class is **Tuula Ihamaki-Widdifield** who draws inspiration from her Scandinavian roots. She decorates her vessel forms with engobes and underglazes and uses scraffito technique to reveal the color of the clay. All of her designs and carvings are done freehand.
