

We Are Columbia

ANNEXATION CONTACT INFORMATION SHEET

This *Contact Information Sheet* is used to provide staff with information about you and your property under consideration for annexation. It is important that we have current contact information so that we may keep you informed of the status of the annexation of your property into the City of Columbia.

This is not an application - in order to request annexation, we will need an executed petition from the property owner. Contact us at annexation@columbiasc.net or 803-545-3217 for assistance.
