

Walk and Bike Scavenger Hunt Bingo

Each fall, **Walk to School Day** is a national day to celebrate health, safety, community by walking or rolling to school. While October 7 is officially Walk to School Day in 2020, communities are welcome to celebrate **any day in October**. This year, we challenge you to **take a walk and complete this scavenger hunt!** Check off each box when you find it, and take a picture of yourself with your finished bingo card to submit by Oct. 30 to enter a drawing for a prize. You must check off all the items, not just finish a row!
